```
<section>
  <section>
    <h1>First Slide</h1>
  </section>
  <section>
    <h1>Second Slide</h1>
  </section>
</section>
```

Multi-Slide (Vertical) Structure

```
<section>
  <section>
    <h1>First Slide</h1>
  </section>
  <section>
    <h1>Second Slide</h1>
  </section>
</section>
```

```
    </section>
</section>
```

Multi-Slide (Vertical) Structure

```
<section>
  <section>
    <h1>First Slide</h1>
  </section>
  <section>
    <h1>Second Slide</h1>
  </section>
</section>
```

Markdown Slide

```
<section data-markdown>
  <script type="text/template">
    ## Markdown Slide Title
    Content here.
  </script>
</section>
```

Fragmentation (Displaying progressively)

```
<section id="fragments">
  <p>Visible By default</p>
  <p class="fragment">after hitting next</p>
  <p class="fragment">then again</p>
  <p class="fragment">and again</p>
</aside>
</section>
```

Animations and Highlighting:

```
<p class="fragment grow">Grow Current Selected</p>
